

## Chairman's progress report on our Club's redevelopment

Dear Members,

I am pleased to report that the removal of all the interior furniture and fittings of the Club building has now been completed and those items worthy of reinstatement in the new building have been placed in store.

The developer is now proceeding with removal of the asbestos from the building and actual demolition is about to begin.

The Committee has appointed Brownell Overend Partnership Pty. Ltd. of Melbourne to take charge of the internal design of the new Club premises.

This firm is internationally recognised as a leader in the field and its principals are eminently qualified to carry out this most important assignment.

The firm has been involved in or has first hand knowledge of such projects as the State Bank of South Australia, Adelaide; Athenaeum Club, Melbourne; West Brighton Club, Melbourne; Australian Club, Melbourne; Naval & Military Club, Melbourne; Australian Club, Sydney; Adelaide Club, Adelaide; Commonwealth Club, Canberra; The Metropolitan Club, New York; The Reform Club, London; etc.

Andrew Brownell has taken a leading role in both the Christchurch Parkroyal Hotel and the Queenstown

Parkroyal Hotel projects in New Zealand.

Darren Overend is presently Vice-President of the Athenaeum Club, Melbourne.

They will work in close co-operation with the Committee in settling the details of the Club fitout.

Members will be advised as soon as detailed plans are available.

The proposal is to reinstate the significant elements of our Club — the Function Room, Club Bar and Swimming Pool. In addition such areas as the Gymnasium, Handball Courts, Cocktail Bar and Bistro will be incorporated into the new premises.

These will have the latest services and facilities in order that the new Tattersall's Club will be the best available in the City of Sydney.

Close co-operation of the project development team with your Committee will ensure that the Club will function efficiently and be a delight to use.

The Club's major facilities will have the advantage of an enlarged view of the city's beautiful Hyde Park, an environment which would be difficult to replace anywhere in the world.

When the Club reopens it will be a place of which we, the members, will be justly proud.

### Melbourne firm retained for internal design.

#### Please be patient

*Members — Your committeemen appreciate their obligation to keep you informed of progress in the redevelopment of our Club premises. Be assured that you will be advised in forthcoming Newsletters of stage by stage advancement. Of course, your committee share with all members an urgent desire to speedily reoccupy our treasured Club, but, alas, we must patiently await that happy day.*

David Dransfield

### NEW COMMITTEEMAN

It is with regret that I have to advise you of the resignation from the Committee of Mr. Philip Ashton who served the Club diligently during his tenure of office.

To fill the casual vacancy the Committee has appointed Mr. John Greaves who is well known to many members.

John, apart from being a keen swimmer, is an all-round sportsman and has taken an active interest in all facets of Club activity.

I am sure that he will serve the interests of all members of the Club.

I am also pleased to report that the Club accounts for the year ended 28th February, 1989 have now been completed and audited and show a marked improvement over the preceding year.

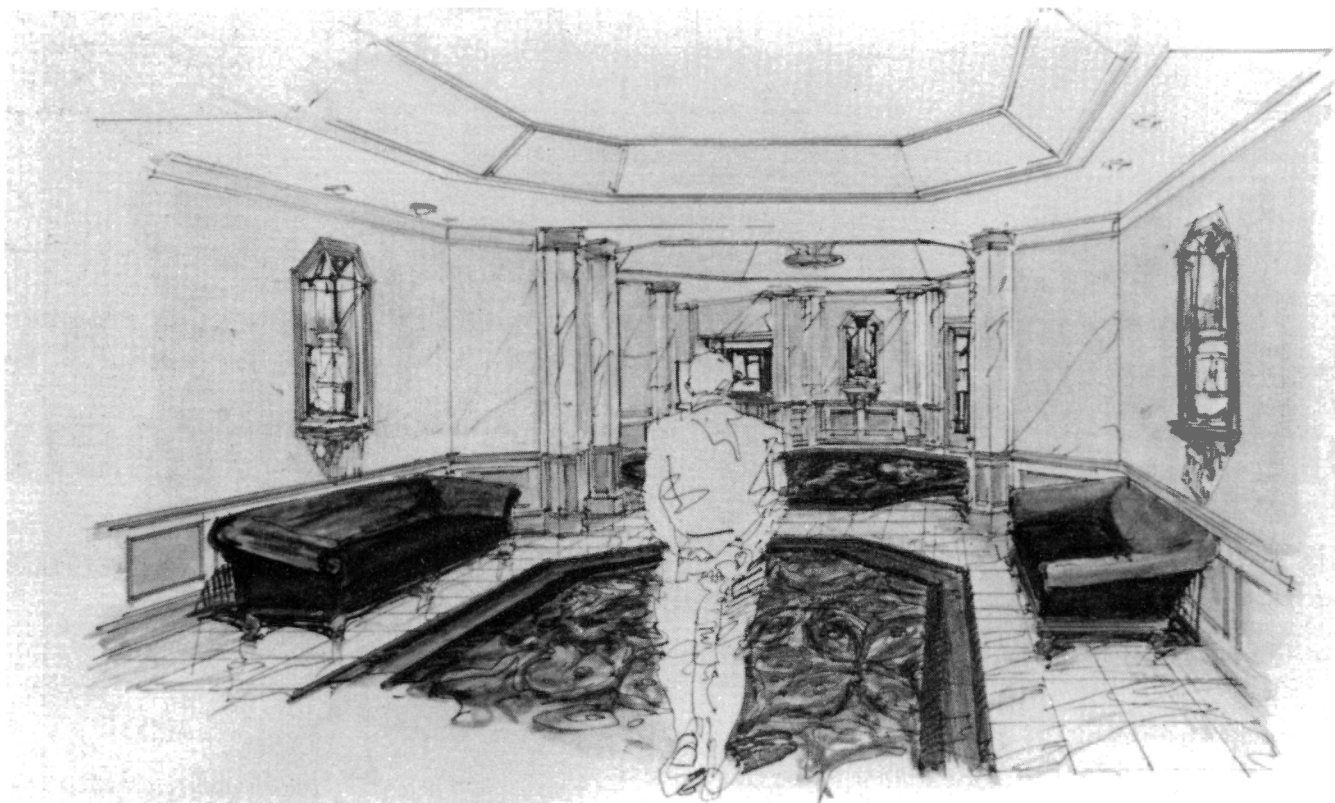

Notice of the Annual Meeting together with the accounts will be forwarded to you at an early date.

# Promise of good ski season

With sub-zero temperatures and the breaking of the drought in the Cooma district the signs are right for the 1989 ski season which is nearly upon us.

Given a bit of luck with good snowfalls the coming season should be fun for everyone involved. With the support of Tattersall's members and their friends a successful season is assured.

The 1989 calendar is —

- Werruna Lodge, Perisher July 22 to July 29.

This is the annual men's week and your Ski Club Committee is pleased to announce the above dates because late July often produces some of the best skiing conditions in any season.

Temperatures tend to be lower and any fresh snow is likely to be lighter and drier.

By late July there is every chance of an established snow base so that any fresh fall can mean wonderful skiing conditions.

However, regardless of conditions, an enjoyable and relaxing week is guaranteed.

Bookings are now open and interested members may phone Secretary/Treasurer

Anthony Berkman on 211 4933, who will forward a booking form and Ski Club Newsletter.

The accommodation at Wirruna Lodge is very comfortable and the cost of \$435 includes accommodation, meals and drinks for the week.

- Roslyn Lodge, Thredbo September 2 to September 9.

Already a number of reservations have been made for this wonderful mixed week at comfortable Roslyn Lodge.

Early September is an excellent time for skiing, with the days getting longer and snow depths likely to be at about the peak for the season.

Breakfast, dinner and drinks are provided and accommodation for the week totals \$475 per person.

Members and their guests who are interested in this week should contact Ski Club Committeeman Mr Ashley Reed on 264 1271.

The Ski Club, like all other aspects of Tattersall's Club, functions only with the honorary assistance of its members.

The Ski Club Committee are delighted to welcome Mr Mark Steglick to its ranks.

## Bowlers, swimmers get-together

Tatt's sportsmen Col Bowes (Swimmers) and Tim Anderson (Bowlers), at a Mosman Cricket Club luncheon, wished Australia's cricket captain Alan Border bon voyage and good hunting in England in his team's 1989 tour. Col and Tim, old sportsmen from way back, were fellow golfers in the forties. (Col says he is still improving.)

Tatt's bowlers enjoyed a visit to Newcastle Tatt's, host club for the 1989 Interstate Bowls Carnival. The group were saddened by the sudden death on Sunday, March 9 of Bill Moore. We greatly missed our old regular.

Our team won five but lost three of their matches to finish fourth of the nine contestants. This was an encouraging effort for our players, who were the only victors against the winning combination from the Victorian Club.

Our thanks to Newcastle

Club President Don McCauley, Secretary Hal O'Connor and their hard working team for their efforts and hospitality. The final scorecard is at right.

Tim Anderson (953 3021)

Jim Whyte (358 2856)

**Handballers welcome**

Tattersall's handballers have been playing at Giles, at the northern end of Coogee Beach, each Tuesday and Thursday between 1-2 p.m.

The cost is \$4 a time.

Two courts are available and most days both have been needed.

However, more players, regular or occasional, would be welcome.

A competition beginning at 5 p.m. will be held shortly.

Ring Bob Hill 922 2677 (business hours) or 46 4245 (home) to register for competition and for further details of lunchtime games.

Ken Glass

# Our snooker/billiards players settle in at Sydney Club

The President and Board of the Sydney Club have made Tattersall's Club members very welcome.

Our annual snooker and billiards handicaps will start there on May 5.

Bill Hurley and Bruce McHugh have again donated the first prize trophy for the snooker event. This is a beautiful cutlery set and our Club has put up the \$400 cash prize.

Second prize is a handsome set of crystal goblets donated by Peter Twigg, plus \$200 cash from our Club.

Our Club has also donated \$200 first and \$100 second prizes for the billiards.

Syd Lane and George Mousally have again come to the party with awards of beautiful prizes and the George Mousally Cup, as usual, will be presented to the winner of any two handicaps in billiards or snooker in any year. These trophies are on display at the Sydney Club.

We have received 96 nominations for the snooker tournament and 44 for billiards. This

is a remarkable response, only nine and two respectively fewer than last year.

Eddie Charlton, last year's snooker winner, has nominated and no doubt will be favourite.

We will conduct our Calcutta Auction on Monday, May 1.

Our monthly round robin pairs have been a great success and, again, members' response has been gratifying. This tournament carries a \$1,000 prize to the winner on a points system over six months.

We are also holding a monthly backgammon tournament which has proved very popular.

Any Tattersall's Club member desirous of participating in these activities in the future may do so by contacting Paddy Morgan or myself at the Sydney Club, 9 Rowe Street, phone 233 2800.

I will keep members informed in future Newsletters of happenings at our "newly adopted" Sydney Club.

Doug Jordan

## Rounds

Club	1	2	3	4	5	6	7	8	9	Total
Adelaide	Bye	-	1	-	-	-	1	5	2	9
City Tatts	5	Bye	6	5½	1½	6	5	1	5	35
